Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

Veheemently

I **OPPOSE** THE DRAFT M.O.U. being proposed by the FDA. In particular, I **OBJECT** to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Madison Har. compounds each month, a prescription tailored specifically to my needs. There is only 1 pharmacy in my area that will do that & it is 73 miles away - if you want to call that "my area".

I resent any attempt to limit my choices under the disguise of whatever BS the government ^{for lobbyists} can make up now.
